**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, August 27 2018

I need local broadband providers for my home office and for my away from home office as that is what I can afford. I am self employed and with the service I have now, I am provided with phone and internet.

I choose a competitive provider as they offer assistance over the phone with a real person when my service has been interrupted. This is critical for my business as I have no assistant to take care of details such as this.

There are not enough options of providers in my home office and away from office area.

I am very thankful to have found such a reliable local Broadband provider in my area and hope to keep them as I have been a customer for over 5 years.

Sincerely,

Stephanie A Wilger
